

Advance your career in social practice

Programmes include:
Master of Social Practice
**Postgraduate Diploma in
Counselling**
**Postgraduate Diploma in
Social Practice**
**Postgraduate Certificate
in Social Practice**

If you're looking for a postgraduate qualification or advanced professional development in the social practice sector, there's no better place to expand your knowledge than at Unitec. You'll enjoy a combination of theory and practical learning, and be inspired by lecturers that play active roles in the industry and are highly respected for their notable international experience. Within the social practice programmes you may also be able to study special topics like human rights, social practice or the management of community organisations.

Programmes are offered at our Mt Albert and Waitakere campuses.

Enrol now.
